“ My mom was the strongest woman I have ever seen. She was a great mom and grandmother, she was the person that we all tried to learn from.
She had very difficult times and a lot of hurdles during her lifetime but she always faced head on .
Mom you were always my mentor, and I can only hope that I will be half of the woman you were.
You will always live in my heart and will never be forgotten.
R.I.P. and dance in heaven with dad.
