“ I remember my son Nick spending time with you and your brother Pat in the Cul de sac with Kyle and Mark Williams. You were so young. Playing street hockey or touch football. I hope you are at peace, now. My prayers and condolences to your lovely parents Patty and John and to your brother Patrick. God Bless you.

“ Everyone that knew Danny, knew he loved his family. I heard frequently how his Mom and Dad were doing and how proud he was of the hard work and success of brother Pat. I also heard some about his brother John that tragically passed. Towards me and my family Danny was a solid human being and showed much intelligence, humility, kindness humor and forgiveness. He was a great worker - always on time and had a lot of experience, knowledge and skill in the construction and demolition trade. We love and miss you already Danny. You were at my home last week excited to take a trip down south to see your parents retirement home. Danny spoke honestly to my teenagers and tried to help them make good choices. I pray for you and your loving family. May God Bless you Danny.
