“ *Dear Carin and the entire MacPherson clan-*

I worked with Gerry for many years at Bell Labs and then me and my family were introduced the "MacPherson" family at Loon Lake, NY. Gerry was such a delight to be around and we shared our fire house stories when we were together. My children still talk about the great times at the lake with all of you. Sorry for your loss.

“ I am sorry to hear about the loss of Gerry, he was a great man, friend, and leader. After joining station 1 he was the go to guy for any advice whether it be about firefighting or on a personal note. Those who walk through the doors of the station will miss out on such an incredible person. My thoughts are with you during this most difficult time. Gerry will be missed greatly.

“ From the minute any new member walked into the firehouse, Gerry
made them feel at home. After only talking with him for a little while
you felt as though you have known him for years. Gerry was always
ready and willing to mentor anyone and lend a helping hand
whenever he could. Things won't be the same without him around.
He'll be greatly missed.
