

James H. Barschow

August 9, 1937 - April 17, 2020

James H. Barschow, 82 years young, died peacefully, after a battle with a long-term illness. He passed on April 17th, 2020 at Monmouth Medical Center South's Hospital. He was born August 9th, 1937 in Brooklyn New York, the son of James F. Barschow and Francis A. Barschow. Jim attended Andrew Jackson high school. It was his freshman year, that he met Phyllis Barschow, who would later become his wife and the love of his life. Little did he know, Phyllis knew she would marry him a month prior, when he served her ice scream, at a local parlor. He was her "soda jerk" and she was his "funny face". They went steady at sixteen and were married by nineteen.

He put off the remainder of his high school career in order to serve his country. Before graduating, he enlisted with the United States Navy. He served from 1955-1957, on the submarine USS Corsair.

After being discharged he went on to work at Ingersoll & Rand, EdCo Pneumatic Tools, and Proshop at Sports-O-Rama. These were a few of his many business endeavors.

James became a manager at New Shrewsbury Ice-Skating Rink. He coached his son's hockey team also while supporting and conditioning his daughters in competitive figure skating. He was an instructor and their number one fan. In addition, to many years of hockey and skating, James also loved to golf. "Hit the ball Willy" was one of his many phrases.

Anyone that knew Jim could tell you many wonderful attributes. Some would say he had a remarkable sense of humor, an infectious laugh, or an

impressive amount of knowledge. However, more than anything Jim had an infinite amount of love to give, to anyone who wanted it.

In addition to his parents, he was predeceased by Son, John Francis Barschow and Daughter Deborah Anne Barschow-Meadows. Surviving in addition to his wife, Phyllis Barschow, are his sister Elaine Biederman (her husband Leo deceased) and brother Ken Barschow; sons, James Joseph, and his wife Susan, William David, and his wife Susan; daughters, Kathleen Rose her boyfriend Charlie, Cynthia Lynn and her boyfriend Josias; grandchildren, Margaret, and her husband Seth, Billy, Johnny, Kevin, and his wife Sarah, Ashley, Jacki, Johnny Anthony, Cassidy, Courtney and her boyfriend Matt, Maddy, Chelsea, Joseph, and his wife Sharron; great grandchildren, Oliva, Logan, Zoe, Penelope, Giulianna, Michael, and Chanel. In lieu of flowers, the family asked that donations be made to the US Department of Veteran Affairs, because of how much they helped Jim in his time of need. Jim's family would like to extend their sincere thanks and deep gratitude for all expressions of sympathy and acts of kindness shown during this time.

“ Jim was one of the fathers along with Tweedy and Hilgert that led Suffern Hockey to be very competitive. Their sons were all vg players that led us to be the finest program around. Who can ever forget Jim pacing up and down the rink at SOR, leading and encouraging his sons and all the other players. Jim was particularly helpful to me as a young coach/ Jimmy, Billy and Johnny were a site to behold with Phyllis and the girls being great fans .

Jim I will never forget you and your contributions. Coach Orlando

“Poppy.. you became the Father figure I didn’t have as I got older. You taught me so much about life and love, but you taught me the most about laughter. You brought me through heartbreaks and headaches. You made me want to succeed at being a parent. You were the grandfather and role model for both of my children! They loved taking “adventures” with you every day. We all love and miss you so much... including “Daddy Don”. The first lobster he catches this year, he’ll cook it and bring it to Philomena for you. Tell my mother and father who you are and make sure they know you took care of us .. we love you pop.

“Dearest Uncle Jim, you became my father figure after Dad passed away in 2014. And you were always there for my husband, Mike, after my surgery in 2017. You lifted a load and always provided emotional support over countless phone calls. We will be better and do our best because of your memory. Thank you for your service—Go Navy!! Your loving niece, Susan O’Loughlin, Mike and Christine xoxoxo

“Mr.Barschow.... You will be missed dearly. You are now in heaven with my Dad. We have great memories with our families. My dad and family always enjoyed your company.. playing cards and family time when you lived on Murray Drive. Your love for hockey will always be remembered. My love for Johnny and your family holds a special place in my heart. Love and prayers go out to your beautiful wife, children and spouses, nephews and nieces. As a grandfather, I'm certain your grandchildren will truly miss you. There are so many memories that I remember growing up at the hockey rink, at your home on Murray Drive, down the shore, and at many hockey games when you ran back and forth along the hockey rink glass watching your children play. You were the proudest Dad in the rink! (at sporto-rama during suffern hockey games) .
Rest in peach and God bless you and the family. 🙏
We will meet again at the pearly gates in heaven.
