“ *Please accept my sincere condolences. I knew Mr. Busch from my years at OTHS and looked up to him as a gym teacher and track&field coach. He earned my respect and was a very positive influence for me and many others. In the 34 years that have passed since I last saw him, my memory of him and the example he set for us has never dulled. He had that kind of impact. I know there has been a tremendous outpouring of support and a flood of great memories from those who knew Jim Busch over the years - I hope you can all find some comfort in that. My thoughts and prayers are with you all.*

“ I grew up with Jimmy and his brothers Bobby and Eddie on Birch Ave. I loved sport and even though I was a little girl he encouraged and supported me. What a great guy! We got to reconnect at the Main St. Restaurant years later after the death of my father. What wonderful memories. I'm sorry I never got to meet the children. My love and sympathies to you all! “ Mr. Busch was surely somebody of authority in the Ocean Twp. School system. If you saw him in the halls you did not act foolish, nor disrespectful. He always carried a presence of stern respect. That sense of aura rubbed off on a lot of students in a very good way. I can honestly say I'll never forget his presence and what I remembered of him. He left us too soon.

*I sincerely wish the Busch Family my deepest condolences.
