“Loree was a long time member of the Jersey Shore Miniature Society and a good friend to all of us. We would continue that friendship after she retired from the group and finally moved to Harrogate. She would enjoy our outings for lunch, always enjoying her red wine and dessert, not eating much of the meal. Loree never did! Loree loved her miniatures and donated most of them to the National Association of Miniature Enthusiasts. Loree did chose some to keep and I set up a scene monthly for her and her friends to enjoy in the nursing home. She was very proud of her collection. Loree was a good friend and I am going to miss her! Our club is thankful that she was part of our club.
