“ I'm so very sorry to hear about Maureen. I worked a school counselor with her at Raritan and we retired the same year. Maureen was one of the most genuine and kind people I ever had the privilege to know. During the years I worked with her, I had several health related issues and her calm professional manner was most appreciated. She loved her famiLy and often told stories about various Boy Scout adventures. Celebrate her life and be happy she was in your lives.

“ Tegethoff Family,
I am thinking about you. Maureen was my coworker at Raritan High School and we also shared the passion for Holocaust studies. She was always a good friend and I will miss her.
