Jeanine, your Dad was loved by all that knew him. The Knights of Columbus will miss him very much. I loved him and will always remember his kindness and generosity to the Knights! May God Rest his Soul.

“Saul adds that Bobby's love and respect for Jeanine was consistent and powerful. Jeanine, he truly believed that you could do anything you wanted to and had such pride in your accomplishments.

“ Bobby was a dear friend to our family. Angie took care of our son Larry for all of his childhood and Bobby took on the role of fun grandpa to Larry. He taught him to fish at Kissena Park, took him on adventures to Tony's Restaurant for spaghetti and pizza and to Home Depot. He encouraged Larry when he was learning to drive. Bobby was there for all of our important family events; our wedding (for which he and Angie made the huppah in their living room with me); my mom's memorial, Larry's graduation and endless birthdays. He helped Saul set up for Larry's fifth in Prospect Park, arriving at 6am to set up and then barbecuing for all. The entire Panzone family came with us one year to Puerto Rico to see where Saul grew up. We have so many happy memories. May he rest in peace.
