“Rosemary was loved by all of us at the Greenbrook Regional Center. She was so beautiful inside out. She always made eye contacts with her loving sight just like an angel. She was a divine messenger of Lord who taught us how to love, how to be patient, how to live the life without complaining and how to appreciate other people. I knew Rosemary from Woodbridge Developmental Center. She enjoyed soft voices, music, beautiful pictures and people. She responded very well to the familiar voices. Rosemary loved her sister, Joanne St. Amand and brother Anthony Sciarrillo. They were very involved in her care and visited weekly. Rosemary-you will be missed by all of us at GBRC.
