“ I commend this beautiful lady, a friend and colleague. A very strong hard working lady and single parent who raised two beautiful girls. I will never forget her and the impact she's made on my life. May you rest in peace and come to see us at times. I'll miss you very much.##imported-begin##Yvonne G. Hutchinson##imported-end##

“ Dear Jill and Jenna,
I just received the terrible news that your mother and my cousin, Susan, has passed away and her viewing is this afternoon. I am so sorry that I cannot be there to pay my respects but sadder still that she has passed away, and at such a young age.

I will always remember Uncle Marty and Aunt Jean refer to her as the "Terror of the House" because she was such an active little one, their first born. We had many visits to your Mom's home in Jersey City and they to our home in Englewood over the years that are an indelible part of our life memories. She was so sweet, and a really lovely cousin.

Although time and circumstance put some distance between us, we had that type of closeness that overcomes circumstantial barriers and only exists with family and the closest of friends. She is in my prayers. God bless you both and your entire family in this time of great loss.

Love,

“ Sorry to hear about your Susan. I had work her and Ed in the PO. They were always there to assist me. Even though we went our separate ways they were always in my thoughts. Susan is now at peace along with Ed hand in hand. No more illness for either one of them. We will always miss Susan. But she is not alone anymore.
God Bless you Susan###imported-begin##Gloria Shiroky##imported-end##
